Deel 3: Beperkingen voor de mogelijke toepassing van het Artikel 89 van de Burgerwet.
Aph. 3. Weer een bandage leggen en erddruk, spoelen over de verwinded.TXT 1994.

\textit{Relitc, titre du rendez.}
The meaning of these recent developments was that the Dutch government had decided to adopt a more conciliatory approach towards the foreign powers involved.

The Hague Conference of 1899 had been convened with the aim of promoting international law and the prohibition of certain methods of warfare. It was hoped that this conference would lead to a more stable relationship between the European powers and a reduction in the risk of future conflicts.

The Hague Conventions of 1899 and 1907 had established rules for the treatment of prisoners of war, the conduct of military operations, and the protection of civilians and cultural property.

The Hague Peace Conference of 1907 had been more successful in reaching agreements on the protection of civilians and the conduct of military operations.

The Hague Abolition Conference of 1907 had been convened to discuss the abolition of slavery and the slave trade.
