Rehabilitation after lumbar disc surgery

Teddy Oosterhuis
The studies presented in this thesis were conducted at the Department of Health Sciences and the EMGO+ Institute for Health and Care Research, VU University Amsterdam. The EMGO+ Institute participates in the Netherlands School of Primary Care Research (CaRe), which was acknowledged in 2005 by the Royal Netherlands Academy of Arts and Science (KNAW).

The randomised controlled trial presented in this thesis was funded by a grant from the Netherlands Organisation for Health Research and Development (ZonMw) health care efficiency research (project no 171102010).
