## 1 Introduction

1.1 Motivation                                      | 1  |
1.2 Theoretical Background                          | 3  |
1.3 Aim and Structure of the Thesis                 | 7  |

## 2 The Krakatoa Eruption in 1883: Its Implications for the Spatial Distribution of Population in Java

2.1 Introduction                                    | 11 |
2.2 The Krakatoa Eruption and Economic Development in Java | 15 |
2.2.1 The Eruption of Krakatoa in August 1883          | 15 |
2.2.2 A Brief Story of Economic Development in Colonial Java | 18 |
2.2.3 Population Growth in Java during 1880–1890      | 22 |
2.3 The Impact of the Krakatoa Eruption              | 26 |
2.3.1 Model Specification and Results                | 26 |
2.3.2 Sensitivity Analysis                           | 33 |
2.4 Conclusion                                      | 36 |

Appendix 2.A Data Sources                           | 38 |
3 The Impact of the Indian Ocean Tsunami and the Nias Earthquake on the Spatial Distribution of Population in Northern Sumatra

3.1 Introduction
3.2 Framework to Study the Impact of the Twin Disasters
  3.2.1 The Spatial Aspect of Disasters on Population Growth
  3.2.2 Other Relevant Variables
3.3 Results and Discussion
  3.3.1 Relative Position of the Highly Affected Regions after the Twin Disasters
  3.3.2 Estimating the Impact of the Disasters on Population Growth
  3.3.3 Patterns of Post-disaster Population Growth: An Illustration
3.4 Conclusion
Appendix 3.A Data Sources

4 The Local Economic Growth Impact of the 2006 Yogyakarta Earthquake

4.1 Introduction
4.2 Theoretical Framework
4.3 An Overview of the 2006 Yogyakarta Earthquake
4.4 Investigating the Economic Impact of the Earthquake
  4.4.1 The Inter-temporal Impacts
  4.4.2 The Sectoral Spillover Impacts
  4.4.3 The Spatial Spillover Impacts
  4.4.4 The Overall Impact of the Earthquake on Economic Growth
4.5 Conclusion

5 Shaking Up the Firm’s Survival: Evidence from Yogyakarta (Indonesia)

5.1 Introduction
5.2 Literature Review
5.3 Dynamics of Firm Survival
5.4 Dynamics of Firm Productivity
5.5 Determinants of Firm Survival
5.6 Conclusion
6 Living with the Merapi Volcano: Risks and Disaster Microinsurance 123

6.1 Introduction 123

6.2 Literature Review 125

  6.2.1 Perception of Risks Related to Location 125
  6.2.2 Other Determinants of Disaster Microinsurance Demand 127

6.3 Research Methodology 130

  6.3.1 Data Sources 130
  6.3.2 Constructing Indicators of Disaster Risk 131
  6.3.3 Data Related to Demand for Disaster Microinsurance 134
  6.3.4 Logit Model 137

6.4 Peoples’ Response to Disaster Microinsurance 139

  6.4.1 Description 139
  6.4.2 Determinants of Response to Disaster Microinsurance 142

6.5 Conclusion 147

7 Conclusion 149

  7.1 Introduction 149
  7.2 Summary of the Empirical Results 150
  7.3 Policy Implications 152
  7.4 Suggestion for Further Research 153
