# TABLE OF CONTENTS

ACCOUNT .................................................................................................................................................... vi

ABBREVIATIONS ...................................................................................................................................... viii

CHAPTER 1 .................................................................................................................................................. 1

INTRODUCTION ......................................................................................................................................... 1

1.1 GENERAL INTRODUCTION ........................................................................................................... 1

1.2 THEORETICAL CONCEPTS ............................................................................................................ 5

1.3 RESEARCH DESIGN ..................................................................................................................... 14

CHAPTER 2 ................................................................................................................................................ 29

PREVALENCE AND DETERMINANTS OF DEPRESSION AMONG PATIENTS UNDER THE CARE OF TRADITIONAL HEALTH PRACTITIONERS IN A KENYAN SETTING: POLICY IMPLICATIONS ......................... 29

CHAPTER 3 ................................................................................................................................................ 49

QUALITY OF LIFE OF DEPRESSED AND SUICIDAL PATIENTS SEEKING SERVICES FROM TRADITIONAL AND FAITH HEALERS IN RURAL KENYA ............................................................................................................ 49

CHAPTER 4 ................................................................................................................................................ 67

FORMING A JOINT DIALOGUE AMONG FAITH HEALERS, TRADITIONAL HEALERS AND FORMAL HEALTH WORKERS IN MENTAL HEALTH IN A KENYAN SETTING: TOWARDS COMMON GROUNDS .................... 67

CHAPTER 5 ................................................................................................................................................ 85

MENTAL HEALTH OUTCOMES OF PSYCHOSOCIAL INTERVENTION AMONG TRADITIONAL HEALTH PRACTITIONER DEPRESSED PATIENTS IN KENYA .................................................................................... 85

CHAPTER 6 ................................................................................................................................................ 99

IMPROVEMENTS IN QUALITY OF LIFE OF DEPRESSED PATIENTS RECEIVING PSYCHOSOCIAL INTERVENTION FROM TRADITIONAL HEALTH PRACTITIONERS IN KENYA ............................................................................. 99

CHAPTER 7 ............................................................................................................................................... 117

MENTAL HEALTH TREATMENT IN KENYA: TASK-SHARING CHALLENGES AND OPPORTUNITIES AMONG INFORMAL HEALTH PROVIDERS ................................................................................................. 117

CHAPTER 8 .............................................................................................................................................. 137

DISCUSSION AND CONCLUSIONS .......................................................................................................... 137

8.1 Discussion and conclusions ............................................................................................................. 137

8.2 Reflections on the theoretical framework ..................................................................................... 141

8.3 Reflections on the main research question ................................................................................... 142
