Acknowledgements

For having been able to bring this work to an accomplishment, I sincerely thank all who have supported and helped me so much in one way or another.

First and foremost, my greatest gratitude goes to my supervisor, dear professor Bart Bossink. It is Bart who nurtures me on what and how scientific research should be done, and who always teaches me where are the right directions to go. Bart, I eternally appreciate your tremendous support and dedication during my doctoral trajectory. I am so much enjoying working and doing research with you. Thank you, Bart!

My deep appreciation goes to my co-promotor, dr. Tsvi Vinig for contributing precious time and valuable advice, and for helping me develop my research works and instruments. Every time I need help, Tsvi is always there, generously supports me and shares his experience with me. Toda, Tsvi!

I want to express my sincere thanks to the committee members for reading this dissertation: Prof. Kees Ahaus, Prof. Mirella Kleijn, Prof. Peter van der Sijde, Prof. Hans Strikwerda and dr. Balazs Szatmari. Thank you for your valuable efforts and evaluation of my dissertation.

Thanks to dr. Suchuan You, for being my co-author and ‘elder brother’. Thanks to dr. Jingshu Du, dr. Yapu Zhao and dr. Gongxing Guo, for helping me improve the questionnaire. Thanks to Eef Leeuw, dr. Nikola Zivlak, Spark (Tianyi) Xie, Yanran Tu, Can Gao and other people who participated in the pilot study and the pre-test. Thanks to all respondents from Dutch healthcare organizations who sharing their innovation projects with me. Thanks to the managers from China Eastern Airlines who contributed to the case study. I appreciate all your interests on my research topic.

I also want to thank SBI group and colleagues, especially Seyed, Wenjing, Chun, Mia, Jaan, Inge and Joep. Thank you all for your company of my study at VU, and for the tips, inspiration, fun and help you provided.

Special thanks go to Prof. Ming Xu. Eight years ago, I was fortunate to join your research group. I still cherish the memories that we travelled around China to do interviews and ‘mystery shoppings’, as well as the hardness and happiness in the research project.

Also, special thanks go to Prof. Qingliang Gu. I was so lucky to take part in your ITC research team, and grateful to receive your continuous and generous help.

Thanks to the lovely friends who made my stay in Amsterdam so enjoyable like a beautiful dream. In particular, thanks to my dear friends at Uilenstede: Tingting & Ding Yi, Jin,
Xuguang, Xue Ting & Zhiqing, Wang Qing, Liang Kun, Cunfeng, Yu Yin, Lulu, Li Qiong, Ronghua, Xiaobo and Yuanqing. Thanks also to Huirong, Suwei, Junhui, Xiangyang, Zhou Sheng and Fang Yuan for the warmth you provided.

Last but certainly not least, I own a huge debt of gratitude to my family, the most important persons in my life. Thanks to my loving Chunshen for your company, understanding and love along the way. 感谢爸妈多年的辛苦培育和默默付出，你们的爱与支持是女儿前进的动力和坚强的后盾。谨以此文献给我的家人们和在天堂一直守护我的外公。
